INSTALLATION CEREMONY

14th MAY 2023

We are thrilled to share the highlights of our 1st event of the year, an event brimming with enthusiasm, empowerment, and a celebration of the young minds shaping our future. On 14th May 2023, our vibrant community came together to welcome the newly appointed board of directors, ushering in a promising era of growth and collaboration.

The occasion was graced by two distinguished chief guests who generously shared their wisdom and expertise. Bala Govinda Dasa Ji, a revered spiritual guru, blessed the incoming board members with his profound words of encouragement and enlightenment. His presence infused the gathering with tranquillity and a sense of purpose, inspiring everyone to strive for personal growth and societal well-being.

We were privileged to have Prakash Ji Bang, a renowned marketing specialist, as our second chief guest. With his wealth of knowledge in the field, Prakash captivated the audience with an engaging talk on the power of effective communication and innovative strategies.

The event was attended by the members of our forum, accompanied by their proud parents. Their unwavering support and encouragement were evident as they applauded the newly appointed board of directors, fostering a nurturing environment for growth and development. The event was led by President Elect Nihar Zanwar with a valuable support from the chairman Kaushal Rathi.

The installation ceremony left us with a renewed sense of purpose and a collective commitment to creating positive change. We extend our heartfelt gratitude to all who made this event a resounding success. Together, we embark on a journey of collaboration, innovation, and endless possibilities, united by our shared vision for a brighter future.
